How do I nominate a Litter?

Nominate your litter within 90 Days of Whelp. The fee is only \$20 for the entire litter!

If you miss this deadline, you may still nominate an entire litter for the current years futurity, but only until the litter is five months old.

There is no provision allowed for nominating a litter older than five months.

The late fee to nominate the entire litter after 90 days is \$60.

Remember to nominate your litter before its 3 mths (90 days) to get the best savings!

Know someone with a 2010 litter who missed their cutoff?

They can still send in their litter nominations-but only until Feb 28th 2011

(Yes they still have to pay the late fee,)

Don't MISS OUT. NOMINATE YOUR LITTER!

All Breeders, nominators, owners and co-owners of nominated litters or individually nominated dogs must be GWPCA club members.

I have a single individual (for example: a stud fee puppy or an imported youngster). Can I enter the GWPCA Show Futurity?

Yes! Individual nominations made up to 6 mths from whelping date will be accepted for an individual dog that is *not* from a nominated litter.

No nominations will be accepted for any dog once they turn six months! (see info for 2011).

Nominations for individuals will be accepted for the next three years (2011-2013) on a trial basis.

The fee for an individual *not* from a nominated litter is \$60+ \$20 re-nomination (forfeit) = \$80.

Payouts for a class winner will be split between the nominator & owner at time of entry *IF* they are different individuals.

Remember that All Nominators/Owners MUST be GWPCA Members!

This option is ideal if you have a single puppy from a stud fee, a foreign import or FDSB/NAVHDA registry that has received AKC registration. All individuals must be AKC registered.

**approved by the GWPCA Board 11/10*

What should I do after I nominate my litter?

There is now only one \$20 re-nomination fee (forfeit) due for each individual puppy.

You will receive a form for each individual in your litter to send to the puppy's new owners.

Remind your puppy buyers they need to be GWPCA members to participate in the Futurity.

Remember! All re-nominations must be made before an individual turns 6 months old.*

Junior class individuals must have their nominations in by August 31st. No litter or individual nomination will be accepted postmarked after August 31st for that year's futurity.

You will receive acknowledgement of your litter/individual nomination along with re-nomination forms.

Only Nominated Futurity individuals will be eligible for future Maturity Stake competition.

***Don't panic!** The 2011 Senior/Intermediate class individuals have until April 30th to get their individual nominations in.
