

2011 Agility Standings

These rankings are based on competition during the period January 1 – June 30, 2011 as reported in AKC Awards through Vol. 31 No. 8, August 2011 – compiled by Lori Sargent. Each dog's score is added to the number of seconds under time for that run and tallied for the year. The highest 3 scores are summed to determine total points. Ties will be broken using highest average score.
