Terms of Adoption

Agreement and consent: All of the information I have provided on this form is true and complete. I have read and agree to the **GWPCA Terms of Adoption:** Any unaltered dog placed with me will be spayed or neutered within 30 days or by a date agreed upon by a representative of the GWPCA. This dog will reside with us primarily as a pet/companion. I will provide it with adequate food, water, indoor shelter, training, and medical care.

I understand these dogs are not being placed as hunting dogs. Any hunting ability is strictly a bonus and is not required as a condition of adoption. We do not recommend placing any Wirehair in a home with small dogs or cats due to their strong prey drive. This is a breed characteristic. I have read and understand the German Wirehaired Pointer breed standard and description which is available on the GWPCA website.

I understand that the GWPCA Rescue is a referral service and is NOT responsible for the accuracy of information received about the habits, temperament, or physical condition of dogs for adoption. I understand that it is my responsibility to see and evaluate the dog for myself before agreeing to adopt it. All costs for out of state transportation will be paid for by the adopter. The GWPCA and/or the rescue representative of the GWPCA are in no way liable or responsible for any damage, accident or injury resulting from the placement of a German Wirehaired Pointer into your household.
